Welcome to ATLANTIS, a Grid Solutions Power Transmission tool used for loose parts & kits lookup through drawing navigation.

This guide is for GE Vernova internal users to reference for the initial login to ATLANTIS.

PRE-REGISTERED USER

The first-time login to ATLANTIS requires two steps:

- 1) User must have an active SSO ID and password
- 2) SSO ID and Password must be pre-registered in ATLANTIS

Must users have already been pre-registered, but you can confirm by following the steps listed below. If you know you are not registered, please [click here](#) to skip to the *Unregistered User* section.

From the ATLANTIS homepage, click on the “Log in / Register” button on the top of the page

Welcome to...ATLANTIS...a Services app from GE Vernova – Electrification – Grid Solutions – Power Transmission

Our Customers require an optimal spare parts management to maintain and repair during planned and unexpected outages ... and with this app, we offer you the opportunity to lookup loose parts or kits - through navigation by drawings or by a tree structure or through a search bar - to facilitate the identification of parts or kits and then to simplify the order process.

It applies to air-insulated switchgear, gas-insulated substations, power transformers from GE legacy brands including Alstom, Areva, Alstom, GEC Alstom, AEG, Sprecher+Schuh, Sprecher Energy, Scorch and Cegelec.

FLASH NEWS:

- 2025-02-28 - Adding new product family B105-1
- 2025-03-01 - Adding new thumbnails for DSC product families
- 2025-03-02 - Official GO Live

FIRST LOGIN:

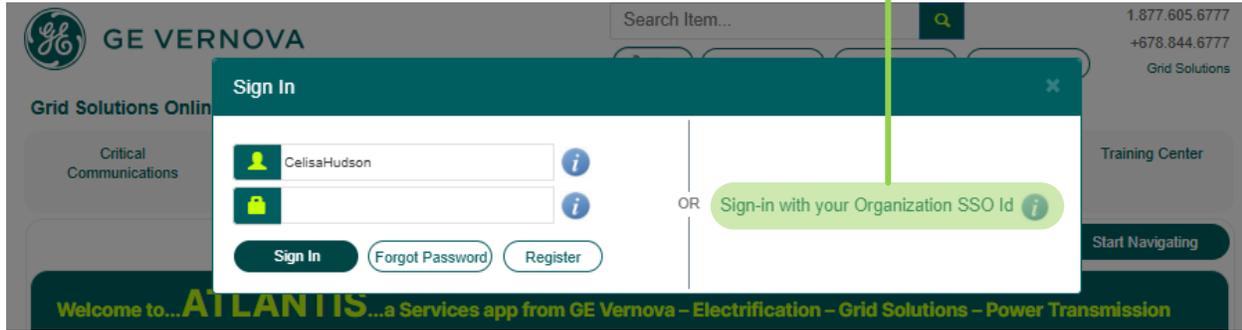

- Users internal to GE Vernova: Please create an IT ticket to access to the app (through MyTech)
- Users external to GE Vernova: Please follow the instruction [here](#)

RESOURCE:

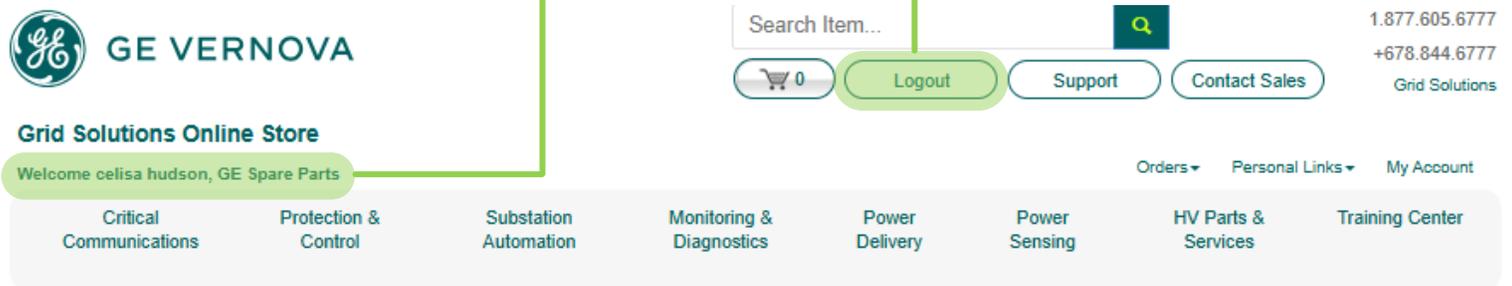

- In/ Out Scope: [here](#)
