

## INSTRUCTIONS

GEK-41935  
Insert Booklet GEI-83964

### AUXILIARY CURRENT RELAY

0257A1303

TYPE HAA RELAY

#### INTRODUCTION

This supplement in addition to GEI-83964 constitutes the instructions for special relay 0257A1303.

#### DESCRIPTION

Special relay 0257A1303 is similar to HAA15A referred to in instruction book GEK-83964 except as follows:

1. Special relay 0257A1303 contains two N.O. electrically separate contacts. See figure 1 of this supplement for internal connections.
2. The outline and panel drilling is as shown in figures 2 and 3 of this supplement.

These instructions do not purport to cover all details or variations in equipment nor to provide for every possible contingency to be met in connection with installation, operation or maintenance. Should further information be desired or should particular problems arise which are not covered sufficiently for the purchaser's purposes, the matter should be referred to the General Electric Company.
