

MULTICONTACT AUXILIARY RELAY

HFA 99AG()A

TYPE HFA

INTRODUCTION

These instructions plus those in GEK-41897 form the instructions for special relay HFA99AG()A.

DESCRIPTION

This relay is similar to HFA71A described in insert booklet GEK-41897 except for the Internal Connections Diagram in Fig. 1 of this supplement.

These instructions do not purport to cover all details or variations in equipment nor to provide for every possible contingency to be met in connection with installation, operation or maintenance. Should further information be desired or should particular problems arise which are not covered sufficiently for the purchaser's purposes, the matter should be referred to the General Electric Company.

To the extent required the products described herein meet applicable ANSI, IEEE and NEM/ standards; but no such assurance is given with respect to local codes and ordinances because they vary greatly.
