## INSTANT OVERCURRENT RELAY TYPE PJC MODEL 12PJC99AI(-)A

### Introduction

These instructions, GEK-100687 together with GEK-27893, constitute the complete instructions for the 12PJC99AI(-)A RELAY.

### Description

The 12PJC99AI001A relay is similar to the 12PJC32G56A except that the internal wiring has been revised per the customer request. The internal connections diagram is shown in Figure 1 of this instruction.

*These instructions do not purport to cover all details or variations in equipment nor provide for every possible contingency to be met in connection with installation, operation or maintenance. Should further information be desired or should particular problems arise which are not covered sufficiently for the purchaser's purposes, the matter should be referred to the General Electric Company.*

*To the extent required the products described herein meet applicable ANSI, IEEE and NEMA standards; but no such assurance is given with respect to local codes and ordinances because they vary greatly.*
